## The Experience

### Day 1 — Arrival at Lago Furioso

Your journey begins in **Comodoro Rivadavia**, where a private aircraft takes you deep into remote Patagonia, crossing immense open landscapes rarely seen from the ground.

Upon arrival near **Lago Furioso**, you'll be welcomed into a secluded lodge surrounded by mountains and untouched nature. The afternoon is dedicated to slowing down and connecting with the atmosphere of the region — a landscape defined by silence, wind, and distance.

As evening falls, a carefully prepared dinner introduces the flavors of Patagonia in an intimate and refined setting.

## Day 2 — Hidden Trails & Glacial Lakes

The first full day in the wilderness begins with a guided trekking experience through native forests, hidden valleys, and remote lake shores surrounding Lago Furiioso.

Trails follow ancient natural paths used only by local guides, revealing panoramic views, changing terrain, and the immense scale of Patagonia's untouched landscapes.

Back at the lodge, the experience shifts into comfort: local wines, warm hospitality, and uninterrupted views over the surrounding mountains and lakes.

## Day 3 — Into Unexplored Patagonia

A more demanding trekking day leads deeper into the surrounding mountain terrain.

Crossing remote valleys and highland paths, the journey reveals the raw character of this isolated region — volcanic formations, alpine lakes, rugged ridgelines, and landscapes where human presence feels almost absent.

A private outdoor lunch is served in the mountains before returning to the lodge in the afternoon.

This balance between effort and reward defines the experience: wild Patagonia outside, comfort and warmth waiting at the end of the day.

## Day 4 — Patagonia at Your Own Pace

This day is intentionally flexible, allowing guests to experience the region in their own way.

Options may include:

- shorter scenic hikes
- lakeside exploration around Lago Furiioso
- horseback riding
- kayaking
- photography outings

- or simply enjoying the stillness of the lodge and its surroundings

As the journey approaches its end, the final evening is marked by a farewell dinner celebrating the landscapes, flavors, and moments shared throughout the experience.

## Day 5 — Return Flight

After breakfast, a private flight returns to **Comodoro Rivadavia**, leaving behind one of Patagonia's most remote and least explored regions.

What remains is not only the memory of extraordinary landscapes, but the feeling of having reached a place few travelers will ever experience.
